ORDER FOR APPROVAL OF FINAL
ACCOUNTING AND FOR AUTHORITY TO
CLOSE ESTATE AND DISTRIBUTE ASSETS

PETE MCGEE, Chancery Clerk

By *J. M. Walters*

THIS CAUSE, having come on this day for hearing on the Petition of Mrs. R. E. Taylor, the duly appointed, qualified and acting executrix of the estate of Marie Miazza Baker, deceased, for approval of final accounting and for authority to close estate and distribute assets and after having given due consideration to all thereof, and being fully advised in the premises, the Court finds that it has jurisdiction of the persons and subject matter and.

1. The Will of the deceased dated May 6, 1977 has been admitted to probate and no attack has been made as to the validity thereof.

2. The residuary legatees and devisees under the Will of the deceased are one-eighth to Robert E. Taylor, Jr., two-eighths to Frances M. Taylor (Mrs. R. E. Taylor), two-eighths to Elizabeth M. Jones and three-eighths to Ethel M. Capshaw.

3. Notice to Creditors probating any claims they might have against the estate of the deceased has been published in the time and manner required by law and only one claim has been probated pursuant thereto. The executrix has compromised said claim and paid the compromised amount, it being her belief that only the compromised amount of said claim is a valid claim against the estate.

4. The expenses of the administration of this estate have been or will be as follows

| | |
|--|-----------|
| Attorney's fees | \$3000.00 |
| Accountant's fees | 2150.00 |
| Appraisal fee to Mr. Robert M. Menefee | 3000.00 |

5. Fédéral estate taxes of \$134,532.00 due the Internal Revenue Service have been paid and estate taxes of \$14,231.00 have been paid to the State of Mississippi. Even though a closing letter has not been received by the estate, the executrix and petitioners therein belived that the amounts so paid as indicated above will be all that is due and owing by the estate to the Internal Revenue Service and the State of Mississippi. However, Petitioners, Robert E. Taylor, Jr , Franced M. Taylor (Mrs R. E. Taylor, Sr.), Mrs Elizabeth M. Jones and Ethel M Capshaw have each executed in favor of the executrix an indemnity against any liability each of them might have pursuant to the estate's distribution of the balance of the assets before a final closing letter has been received from the Internal Revenue Service, and all of them therein agree to pay any additional taxes which are finally due and owing by the estate to the Internal Revenue Service for the State of Mississippi in accordance with their prorata share of the residuary portion of said estate.

6. All the particular cash bequests which are delineated in the Will of the deceased have been made in accordance with prior orders of this Court

7. There are no other liabilities of any kind or nature against the estate.

8. Frances M. Taylor, Ethel M. Capshaw and Elizabeth M. Jones have each filed in this cause notice of disclaimer irrevocably disclaiming and refusing to accept any interest in any of the oil, gas and other mineral interests, producing or nonproducing, owned by the Estate of Marie Miazza Baker. Based upon these disclaimers these oil, gas and other mineral interests became and are the sole property of Robert E Taylor. Jr. in fee simple.

9. The executrix should be authorized and empowered to transfer all assets of this estate to Robert E. Taylor, Jr., Frances M. Taylor (Mrs. R. E. Taylor, Sr.), Elizabeth M. Jones and Ethel M. Capshaw in accordance with the Will of the deceased as affected by the aforementioned disclaimers and after having done so should be authorized to and this estate shall be deemed closed without further order of this court upon the payment of attorney fees, accountant's fees and cost of court.

10. The executrix should be authorized to sell those assets which are incapable of being divided equally among the residuary legatees and devisees under the Will of the deceased.

IT IS THEREFORE, ORDERED, ADJUDGED AND DECREED that the Executrix is authorized, empowered and directed to transfer all the assets of the estate to Robert E. Taylor, Jr., Mrs. Frances M Taylor (Mrs. R. E. Taylor, Sr.), Mrs. Elizabeth M. Jones and Ethel M. Capshaw in accordance with the Will of the deceased except for those oil, gas and other mineral interests of the deceased which have been disclaimed by Frances M Taylor, Elizabeth M. Jones and Ethel M. Capshaw which shall be and are transferred to Robert E. Taylor, Jr. as his sole property in fee simple and that the executrix is authorized to sell those assets of the estate which are incapable of being divided in accordance with the prorata share of each of the residuary legatees and devisees under the Will of the deceased and that this having been done and after all other expenses of the estate having been paid that this estate shall be deemed closed without further order of this Court.

SO ORDERED, ADJUDGED AND DECREED, this the 28th day of September, 1977.

MRS RUTH MILLER HOLMES

19,400

I, MRS. RUTH MILLER HOLMES, an adult resident citizen of McComb, Pike County, Mississippi, being of sound and disposing mind and memory, do hereby make, publish and declare this to be my Last Will and Testament, and I do hereby revoke any and all other wills and codicils heretofore made by me.

ITEM I.

I do hereby appoint, nominate and constitute my son, Dr. Frederick C. Atkinson, and the First National Bank of Jackson, Jackson, Mississippi, as Co-Executors of this my Last Will and Testament, and if for any reason my said son is unable to serve as sole Executor or as Co-Executor with said Bank, then I hereby appoint, nominate and constitute the First National Bank of Jackson, Jackson, Mississippi, as sole Executor of this my Last Will and Testament and in any of the aforesaid events, I hereby expressly waive all bond, accounting, inventory and appraisal with regard to my estate, and direct that my Executor or Co-Executors shall have full, complete and unlimited authority to manage my estate and to sell any property in my estate, either at public auction or by private sale as such Executor deems to be in the best interest of my estate, without any authority or accounting to any Court whatsoever concerning same.

ITEM II.

I hereby direct that my Executor shall pay my funeral expenses and all of my just debts which shall be timely probated, registered and allowed against my estate as soon as may be

conveniently done, and that my Executor shall pay all Federal and State estate taxes which are assessed against my estate as soon after my death as shall be practicable.

ITEM III.

I hereby give all of my jewelry, all of my household effects, all furniture, appliances, silver and china, clothing, linens, books, pictures, and all other household items and personal effects, including all property located in my residence at the time of my death, to my son, Dr. Frederick C. Atkinson, if he shall survive me; and if he shall not survive me, I give and bequeath all of said property mentioned above in this Item to the children of the body of Dr. Frederick C. Atkinson, per stirpes

ITEM IV.

I give, devise and bequeath forty per cent (40%) of all of the rest, residue and remainder of my property, both real, personal and mixed and wheresoever situated, to my son, Dr. Frederick C. Atkinson, if he shall survive me.

ITEM V.

I give, devise and bequeath all the rest, residue and remainder of my property, both real, personal and mixed and wheresoever situated, in trust, to Dr. Frederick C. Atkinson, Trustee, if he be able and willing to so serve, otherwise to my daughter-in-law, Mrs. Shirley T. Atkinson, and the First National Bank of Jackson, Jackson, Mississippi, as Co-Trustees, with the further provision that should my said son desire the First National Bank to serve with him as a Co-Trustee, in the event he serves as Trustee hereunder, then my said son and said Bank shall serve as the initial Co-Trustees, in that event, and in the event of his disability to so serve during the term of the trust hereinafter established, then my said daughter-in-law, Mrs. Shirley T. Atkinson, shall serve

BOOK 10 1932

with said Bank as the Co-Trustees of said trust. The determination as to what property of my estate shall constitute the property going into this trust shall be left to the sole discretion of my Executor, but the cash and other property selected in satisfaction of such bequest, devise or transfer in trust, shall have an aggregate fair market value fairly representative of the distributee's proportionate share of the appreciation or depreciation in the value to the date, or dates, of distribution of all property then available for distribution. All values shall be those finally determined for Federal estate tax purposes. This trust shall be known as the RUTH MILLER HOLMES TRUST. Said trust shall be administered by said Trustee or Trustees upon the following terms and conditions:

A. The Trustee shall divide the trust property into equal parts, one part for each of the children of the said Dr. Frederick C. Atkinson living, and one part for the issue as a group of each deceased child of Dr. Frederick C. Atkinson, and each part shall be a separate trust. These trusts shall be for the primary purpose of maintaining, educating and providing for the general welfare of my grandchildren who are the children of Dr. Frederick C. Atkinson.

B. The Trustee, or Co-Trustees, shall have full power and authority:

1. To sell, transfer, convey, mortgage, lease and dispose of the trust property upon such terms and in such manner and for such prices as the Trustee shall deem proper.

2. To manage and control the trust property with power to invest and reinvest the same in such property as it shall, in its sole discretion deem proper, and to do all things necessary or incidental to the investment or re-investment of the trust property of the estate and the collection of income therefrom.

EX 13 07 416

3. To invest funds in a common trust fund established by the Trustee pursuant to the Uniform Common Trust Fund Act of Mississippi

4. To retain, with no obligation to sell, any property coming into its hands as Trustee under the terms of this instrument, and may, in its sole judgment, continue to hold and retain any and all of the investments, securities and property which may come into its hands by virtue of this Will, whether or not the same would be treated as legal for the investment of trust funds.

5. To expend from the income, rents, profits, dividends and/or proceeds from sales of the trust property the necessary expenses of administering this trust, including taxes, Trustee's fees and attorneys' fees.

6. To determine upon all allocations, charges or credits as between principal and income. Any dividend payable in the stock of any corporation, or rights to subscribe to shares of stock or other securities or obligations of a corporation which may accrue to the trust, and the proceeds of any sale of such rights, shall be deemed to be principal and shall be treated as such. Likewise, all liquidating dividends shall be deemed to be principal. All other cash dividends received by the Trustee shall be income and shall be disposed of as such.

7. To complete, extend, modify or renew any loans, notes, mortgages, contracts or other obligations which I may owe, in such manner as I may deem desirable

8. To pay, settle or compromise all claims and obligations held by or asserted against said trusts, all in such manner and upon such terms as it may deem advisable.

R. M. H.

BOOK 10 PAGE 194

9. To participate in any plan of re-organization, consolidation or dissolution or similar proceedings involving assets comprising the trust estate and to deposit or withdraw securities under any such proceedings.

10. To exercise all conversion, subscription, voting and other rights pertaining to securities held in the trust.

11. To pay such annual delay rentals on oil and gas leases as it shall, in its sole discretion, see fit; and to enter into operating agreements or other contracts for the exploration and development of oil, gas and mineral interests; and to take all other steps necessary to preserve, conserve, develop and operate all oil, gas and mineral rights and leases owned by me at the time of my death, except that the Trustee is prohibited from using any trust funds in connection with the drilling of any oil or gas wells, or in connection with any mining ventures, except that this prohibition shall not apply to the payment by the Trustee from production of its proportionate part of the costs of drilling and completing a producing oil, gas or other mineral well or mine.

12. To hold investments in the name of a nominee.

C. The net income from the trust property set aside for each of my grandchildren shall be paid periodically during the terms of the trust, but in no event less frequently than annually, to each of my said grandchildren, or if they be minors, to the minors themselves or to the natural or legal guardian or guardians of such child, in the sole discretion of the Trustee.

D. The Trustee is authorized in his, their or its sole discretion to pay out of the principal or income any and all bills which may be incurred by any of my said grandchildren in obtaining an education, or for medical, nursing, hospital or other related bills which may be incurred by my said grandchildren for their

welfare; and also if at any time it should appear to the Trustee in its sole discretion that the net income above provided for to be paid for my said grandchildren is insufficient to meet their reasonable needs by reason of some unforeseen casualty or providence or illness, or because of loss of property, and that the corpus of the trust fund should be invaded for such needs, then in the sole discretion of the Trustee, the Trustee may pay over to such beneficiary, such additional sums as it shall deem to the best interest of such beneficiary.

E. Neither the principal nor the income of the trust fund, nor any part of same, shall be liable for the debts of any beneficiary hereunder, nor shall the same be subject to seizure by any creditor of any beneficiary hereunder, and no beneficiary hereunder shall have any power to sell, assign, transfer, encumber or in any manner to anticipate or dispose of his or her interest in the trust fund, or any part of same, or the income produced from said fund, or any part of same.

F. In dividing the principal of the trust fund into parts or shares, as herein provided for, the Trustee is authorized and empowered in its sole discretion to make division or distribution in kind and partly in money. The judgment of the Trustee concerning the division or distribution of the property among the trusts and concerning values for the purpose of such division or distribution of the property or securities shall be binding and conclusive on all parties interested therein

G. As to any child of the said Dr. Frederick C Atkinson who shall survive me, the Trustee shall pay over, transfer, deliver, assign and convey such child's portion in said trust in the following percentages if such child has attained or as he attains the ages set out as follows: One-third (1/3) of such child's portion when he or she has attained the age of twenty-five (25) years, plus an additional one-half (1/2) of the balance when or as he or she has attained the age of thirty (30) years, and the full remainder

of that grandchild's portion of the trust estate when or if he has attained the age of thirty-five (35) years. The Trustee shall have sole and unlimited discretion to determine the kind of property, the proportion of property and the value of the property involved, in order to determine what property shall comprise the portions above mentioned. If any beneficiary dies prior to the full vesting of his or her share, same shall go to his or her issue, per stirpes, if any, otherwise to the children, per stirpes, of my son, Dr. Frederick C. Atkinson.

H. As to the issue of any deceased grandchild of mine, I direct that the Trustee shall pay to the issue of such child such amounts and at such times, of corpus or income or both as the Trustee shall in its sole discretion deem proper, and such trust for the issue of any deceased grandchild of mine for whom a trust is established hereunder, shall terminate twenty (20) years after my death, at which time any remaining corpus and undistributed income shall be paid to such issue, if they be twenty-one (21) years of age or over, and if they be not twenty-one (21) years of age or over, then to either the natural or legal guardian of such issue.

I All of the trusts herein created are private trusts and the Trustee shall not be required to obtain the order or approval of any Court for the exercise of any power or discretion herein given. The Trustee of the trusts herein created shall receive and retain for its services in administering such trust, the usual and reasonable fees and compensation in accordance with that which is customarily and generally charged for performing trust services of the nature involved in said trusts. The income of the trusts herein created shall accrue from the date of my death, and during the administration of my estate, and until the trusts are established, and I hereby authorize my Executor in his, its or their sole discretion to pay at least annually out of my general estate to the respective income beneficiaries of such trusts, as advanced

BOOK 10 MAY 1977

payments of income, such sums as in its sole judgment equal the income which such income beneficiaries would receive from the said trusts had the same been established.

J. The Trustee or Co-Trustees shall not in any event be required to enter into or furnish any bond, accounting, appraisal, inventory or other reporting to any Court whatsoever, but the Trustee shall render annual accounts to the various beneficiaries of said trusts. No person paying money or delivering property to the Trustee shall be required to see to its application. Any Trustee in all of the trusts hereinbefore created may resign at any time by giving written notice to the beneficiaries entitled to participate in the trusts at the time of said resignation, specifying in said notice the effective date of such resignation. In the event that neither one of the individuals specified hereinabove as Trustee or Co-Trustee is able or willing to so serve, then the First National Bank of Jackson, Jackson, Mississippi, shall serve as sole Trustee of all of the trusts hereinabove created, and shall have all of the rights, powers and privileges hereinabove specified and given to the original Trustee.

 PIKE COUNTY, MISS.
 BY *[Signature]*

I, Louie Nixon Holmes, a resident citizen of McComb, Pike County, Mississippi, being of sound and disposing mind and memory, and more than twenty-one years of age, and in all things competent to make a will, do hereby make, publish and declare this my true Last Will and Testament, expressly revoking all other and prior wills, testaments and codicils thereto.

ARTICLE I

I direct that all of my just and lawful debts, properly probated against my estate, be paid as convenient to do so.

ARTICLE II

If my beloved wife, Ruth Miller Holmes, survives me, I give, devise and bequeath unto her property equal to fifty percent of the value of my adjusted gross estate as finally determined for Federal estate tax purposes, less the aggregate amount of marital deductions, if any, allowed for such tax purposes by reason of property or interest in property passing, or which have passed to my wife otherwise than by the terms of this article of my will.

My Executors shall assign, convey and distribute to my said wife the cash securities and other property, including real estate, oil, gas and mineral interests or other interests therein, which may be selected by my said wife, which shall constitute said bequest. The assets to be distributed in satisfaction of this bequest shall be selected by my said wife

in such manner that the cash and other property distributed will have an aggregate fair market value fairly representative of her proportionate share of the appreciation or depreciation in the value to the date or dates of distribution of all property then available for distribution. Any property included in my estate at the time of my death and assigned or conveyed in kind to satisfy this bequest shall be valued for that purpose at the value thereof as finally determined for Federal estate tax purposes, and any other property so assigned and conveyed shall be valued for that purpose at its cost. No asset or proceeds of any asset shall be included in this bequest as to which a marital deduction is not allowable if included. Said bequest shall abate to the extent that it cannot be satisfied in the manner hereinabove provided.

In the event that both my wife and I should die in a common accident or disaster, or under circumstances where it cannot be determined which of us is the survivor, I hereby declare that she shall be deemed to have survived me and my Last Will and Testament and all of its provisions shall be construed upon that assumption.

If my said wife should precede me in death, then and in that event, the one-half interest devised and bequeathed to my wife, Ruth Miller Holmes, under this Article of this, my Last Will and Testament, shall, in such an event, pass to her son, Dr. F. C. Atkinson, in trust, for the following purposes, to-wit:

1. One-half of said amount shall be administered by Dr. F. C. Atkinson, as Trustee, throughout his life and all the net income from said trust estate shall be paid to himself monthly or quarterly as he may prefer. The Trustee is empowered, in his discretion, to augment such income with such part of the corpus of this one-half as may be necessary from time to time to adequately provide for the needs, comfort and welfare of the said Dr. F. C. Atkinson according to his station in life at the time of my death.

2. The other one-half of the interest that would have gone to my wife, Ruth Miller Holmes, shall be held by Dr. F. C. Atkinson in trust and shall be administered as a separate trust throughout his life and all the net income from this one-half interest and this separate trust estate shall be paid by the Trustee monthly or quarterly to the children of Dr. F. C. Atkinson in equal shares. The Trustee is empowered in his discretion to augment the income of each such child with such part of the corpus of that child's portion of the trust as may be necessary from time to time to adequately and properly provide for the needs, comfort and welfare of such child.
