I, JANE D'ARCY HORNER, a married woman, residing in the County of St. Louis, State of Missouri, being of sound and disposing mind and memory, do hereby make, publish and declare this instrument to be my Last Will and Testament, hereby revoking and cancelling all former wills and codicils by me at any time heretofore made.

FIRST

I direct that all of my just debts, allowed as claims against my estate, including the expenses of my last illness and funeral, shall be paid out of my estate by my Executors hereinafter named.

SECOND

I give and bequeath my portrait of Great-Grandmother SUSAN SIMPSON CHEEVER to my oldest daughter, SUSAN PORTEOUS; and I further give and bequeath to my said daughter, SUSAN, my pin of black onyx surrounded by pearls which had formerly been an earring of our said Great-Grandmother.

time of my death, also my automobile or automobiles and accessories thereto, my jewelry and wearing apparel, as well as all other items of household, ornamental or personal use, owned by me at the time of my death, I give and bequeath to my beloved husband, JOHN L. HORNER, if he shall survive me, or, if not, to such of my children as shall survive me, to be divided among them in as nearly equal proportions as may be practical having due regard to the personal preferences of my children. In the event that neither my said husband nor any child of mine survives me, then this bequest shall lapse and become a part of my residuary estate.

FOURTH

If my husband, JOHN L. HORNER, shall survive me, I give, devise and bequeath to the Trustees hereinafter named or appointed as hereinafter directed, or their successor or successors in Trust, as Trustees, to hold and administer as a separate trust in accordance with the provisions of this section, (said Trust to be known as Trust "A"), an amount equal to the maximum marital deduction allowed with respect to my estate under the provisions of the Internal Revenue Code upon the date of the value of my adjusted gross estate as finally determined for Federal Estate Tax purposes, less the value of any property or interests in

C- Upon the death of my said husband in the event that he shall default in whole or in part in the exercise of the power of appointment granted to him under the provisions of this Section, the remaining unappointed principal of the Trust created hereunder shall be added to and become a part of my residuary estate.

D- If, at any time or from time to time, the income payable to my husband, JOHN L. HORNER, under the provisions of this Section, together with all other income available to him of which the Trustees shall have knowledge, shall be insufficient, in the sole opinion of the Trustees, to provide adequately for his comfortable support, maintenance and welfare, taking into consideration the manner of living to which he shall have become accustomed and his station in life, then the Trustees shall pay to my said husband, out of the corpus of the Trust created under this Section such sum or sums as the Trustees shall deem advisable for such purposes, and the judgment of the Trustees as to the propriety and amount of any such encroachments upon the principal of such Trust shall be binding and conclusive upon all persons whomsoever.

Encroachments for my said husband from my residuary estate shall not be made unless the Trust created in this Section has been exhausted.

E- My Trustees shall have the same powers of investment, control and management of the Trust created by this Section as are provided for the Trust under the provisions of the residuary Trust created hereinafter, provided however, to the contrary notwithstanding, no provisions of this my Last Will and Testament shall be deemed to limit the right of my said husband to receive the entire income from the Trust herein created or to in any wise diminish or restrict his absolute power to exercise the power of appointment herein given.

FIFTH

All the rest, residue and remainder of the property which I may own at the time of my death, both real and personal, and of every kind and description, wherever the same may be situated, I give, devise and bequeath to the Trustees hereinafter named, or appointed as hereinafter directed, or their successor or successors in Trust, to have and to hold the same in Trust, (to be known as Trust "B"), as Trustees, for the uses and purposes and with the powers and duties following, that is to say:

to manage and control the trust estate, and to sell, exchange, lease (for terms extending beyond the termination of the Trust or otherwise), grant options, rent, mortgage, pledge, assign, transfer or otherwise dispose of all or any part thereof, upon such terms and conditions as they may see fit, and they may invest and reinvest all or any part of the Trust estate in such stocks, common and preferred, debentures, shares or participations in any common fund, bonds, notes, securities or other property, domestic or foreign, whether of the class or kind now or hereafter ordained, approved or held to be lawful for the investment of Trust funds or not, as they may in their absolute discretion select, and they may make and change such investments from time to time according to their discretion; the Trustees shall have further power to continue to hold any stocks, securities or other property which they may receive hereunder, and the Trustees may invest any part of the funds in property located outside the State of Missouri. The Trustees may register securities in their own names or in the name of a nominee without disclosing the Trust.

My Trustees shall have full power to determine whether any money or other property coming into their hands, concerning which there is any doubt, shall be considered as a part of the principal or income of the Trust estate.

and to apportion between such principal and income any loss or expenditure in connection with the Trust estate as to them may seem just and equitable. The Trustees shall apply the entire net income of all securities at any time held hereunder to the use of the beneficiary for whom they are held irrespective of the price paid for them, it being intended that the Trustees shall not out of income amortize premiums paid for Trust securities nor make additions to income because of the purchase of securities at a discount.

My Trustees shall hold the Trust estate in Trust for the benefit of my husband, JOHN L. HORNER, and shall pay over and distribute the entire net income derived therefrom, in equal quarterly or other convenient installments, unto my said husband, so long as he shall live.

After the death of my said husband, or after my death if he should pre-decease me, I direct that the said Trust estate as it may then exist shall be paid over to my children, DAVID LINSOTT HORNER, SUSAN D'ARCY PORTEOUS, CAROLYN HALL HORNER, and JANE HARPER HORNER, in equal shares, but in case any of them shall have died in my lifetime leaving issue at my death, such issue shall take by representation and per stirpes between them the share which his or her parent would have taken had such parent

survived me; except that if any of my said children named herein are under the age of Thirty (30) years, the Trustees shall retain in Trust his or her share and shall pay to or expend for such child of mine the net income therefrom and so much of the principal thereof as the Trustees in their sole discretion may deem necessary or advisable for his or her comfort, maintenance, support and education until such child attains said age of Thirty (30) years or dies, whichever shall first occur, and thereupon my Trustees shall transfer, pay over and convey the principal of such share, together with any unexpended income, to such child outright and free from all Trusts if living and if deceased to his or her then living issue by right of representation, and in default of such issue, to my then living issue by right of representation, except that any amount payable to any other child of mine under age 30 who is then receiving income hereunder shall not be distributed to him or her outright but shall be added to the share then held in Trust for such child and all be dealt with, administered and distributed as an integral part thereof.

If any issue of any of my children should become entitled to a share in the Trust estate as above set out, then during the minority of such issue, his or her share shall be retained in Trust and the net income arising therefrom, and so much of the principal thereof as may be necessary, shall be used and applied for his or her education, maintenance and support

and when such issue reaches the age of Twenty-One (21) years, his or her share shall be paid over to him or her, free from Trust; but if any such issue should die before reaching the age of Twenty-One (21) years, his or her share shall go to the persons who may then be his or her heirs-at-law, as the same may be determined by the laws of the State of Missouri then in force.

If at the death of the survivor of my husband, my said children and myself, occurring before the termination of the Trust as hereinbefore provided, there is no lineal descendant then living of any of my children, my Trustees shall transfer the Trust estate, free of Trust, to the person or persons who would be my heirs according to the laws of the State of Missouri then in force.

I hereby authorize my Trustees to encroach upon the principal of the Trust estate for the proper maintenance and support of my said husband, and the education, maintenance and support of my children, or to maintain my husband and my children in a standard of living to which they have been accustomed, or to provide against any emergency which may arise affecting them or any of them, occasioned by sickness, accident, ill health, affliction, misfortune or otherwise, and they may make such encroachments from time to time and in such amounts as they may consider

reasonable and necessary under the circumstances for the purposes stated.

Neither the principal nor the income of any Trust estate herein created shall be liable for the debts of any beneficiary thereof, nor shall the same be subject to seizure by any creditor of any beneficiary under any writ or proceeding at law or in equity, and no beneficiary shall have any power to sell, assign, transfer, encumber, or in any other manner to anticipate or dispose of his or her interest in the Trust estate or the income produced thereby.

SIXTH

With reference to any Trust herein created, income payments herein directed shall be payable or accrue for the benefit of the respective beneficiaries, from the date of my death.

At the death of any beneficiary hereunder any accrued net income and undistributed net income of his or her share shall go to the next estate as income unless the Trust as to such share terminates upon the death of such beneficiary in which event said accrued and undistributed net income shall be distributable as a part of the principal of such share.

SEVENTH

I hereby direct that the provisions herein made for my

Last Will and Testament of

Wm. A. Cley Hornum

husband, JOHN L. HORNER, shall be in lieu of his curtesy, homestead allowance, rights of election, absolute property, statutory allowance for maintenance, and all other rights in my estate; in the event my husband should elect to take against my Will, then all of his rights in the Trusts shall cease and the same shall be held, managed and distributed as if he had pre-deceased me.

EIGHTH

I direct my Executors to pay, without reimbursement or contribution, all estate, inheritance taxes, and succession duties assessed during the administration of my estate in the Probate Court by reason of my death by the United States, any State thereof, or any foreign government.

NINTH

The Executors shall elect to take administration expenses as a deduction for Federal Estate Tax purposes or as a deduction for income tax purposes, in such manner as in their judgment will effect an overall tax saving to the estate and no compensating adjustments shall be made either as between income and principal or in the amount of any bequest hereunder.

TENTH

If any legatee, devisee or beneficiary hereunder shall die

simultaneously with me or under circumstances as to render it difficult or impossible to determine who pre-deceased the other, I hereby declare that I shall be deemed to have survived such legatee, devisee or beneficiary, and that this Will and all its provisions shall be construed upon that assumption and basis.

ELEVENTH.

Throughout this Will the masculine gender shall be deemed to include the feminine and the singular the plural, and vice versa.

TWELFTH.

As Trustees of the Trusts created hereunder, I appoint my husband, JOHN L. HORNER, and the ST. LOUIS UNION TRUST COMPANY, a Missouri Corporation, or its successor or successors and assigns. If, for any reason my said husband shall fail or cease so to serve, the ST. LOUIS UNION TRUST COMPANY or its successor or successors and assigns, shall be sole Trustee hereunder. Trustees shall not be required to give bond for the faithful performance of their duties. Every right, power, authority and discretion herein vested in my Trustees of the Trusts created hereunder may be exercised and shall be possessed by ST. LOUIS UNION TRUST COMPANY, or its successor or successors and assigns when acting alone as sole Trustee.

FOURTEENTH

If ancillary administration on my estate outside the State of Missouri may be considered advisable in the opinion of my Executors, the ST. The expenses of such ancillary administration shall be paid out of my domiciliary residuary estate.
