LAST WILL AND TESTAMENT
OF
WILLIAM L. DAVIS

FILED
TESTAMENT
APR 05 1991
GILLY V COOPER
CHANDLER, CLERK
BY *Lorrie Butcher*

I, WILLIAM L. DAVIS, a resident of Rankin County, Mississippi, declare this to be my Last Will and Testament, hereby revoking all Wills and Codicils heretofore made by me.

ARTICLE I.

My wife, VICKI M. DAVIS, and my child, KRISTEN RYAN DAVIS, are living at the time of the execution of this Will.

ARTICLE II.

I direct that all of my debts (including unpaid charitable pledges, whether or not the same are enforceable obligations of my estate), all expenses of my last illness, all funeral and burial expenses, and the cost of administration of my estate be paid as soon as practicable after my death, out of the principal of that portion of my residuary estate which is not included in the share qualifying for the marital deduction.

ARTICLE III.

I direct that all estate and inheritance taxes and other taxes in the general nature thereof, together with any interest or penalty thereon, but not including any taxes imposed on generation-skipping transfers under the federal tax laws, nor any qualified terminable interest property tax, which shall become payable upon or by reason of my death, with respect to any property passing by or under

the terms of this Will or any Codicil to it hereafter executed by me, or with respect to the proceeds of any policy or policies of insurance on my life, or with respect to any other property, including property over which I have a taxable power of appointment, included in my gross estate for the purpose of such taxes, shall be paid by my Executrix out of the principal of that portion of my residuary estate which is not included in the share qualifying for the marital deduction; and I direct that no part of any of such taxes be charged against (or collected from) the person receiving or in possession of the property taxed, or receiving the benefit thereof, it being my intention that all such persons, legatees, devisees, surviving tenant by the entirety, appointees and beneficiaries, receive full benefits without any diminution on account of such taxes.

ARTICLE IV.

All of the furniture, furnishings, household goods, silverware, china and ornaments located in my residence are the property of my wife, VICKI M. DAVIS, and I hereby acknowledge and confirm her ownership of all such items. All of my clothing, jewelry, personal effects, automobiles and all other tangible personal property not otherwise specifically bequeathed (except cash on hand or on deposit and the tangible personal property customarily used in connection with any business or farming operations in which I shall be engaged or interested at the time of my death), owned by me at the time of my death, I bequeath to my wife, VICKI M. DAVIS. If my said wife shall not survive me, I bequeath all of the aforesaid property, in equal shares, to my children who shall be living at the time of my death. I direct that any

expenses incurred in safeguarding or delivering such property be paid from my estate as an administration expense thereof.

ARTICLE V.

I bequeath and devise and appoint all the residue and remainder of my property and estate, of every nature and wheresoever situated (including all property which I may acquire or become entitled to after the execution of this Will, all lapsed legacies and devises or other gifts made by this Will which fail for any reason, but excluding any property over or concerning which I may have any power of appointment), hereinafter referred to as my residuary estate, unto my Executrix; and I direct that my Executrix shall administer and dispose of my said residuary estate in accordance with the terms and provisions set forth and contained in the succeeding Articles of this Will.

ARTICLE VI.

If my wife, VICKI M. DAVIS, shall survive me, my Executrix shall ascertain and set aside for the benefit of my wife, that fractional share of my residuary estate, determined as follows:

A. The numerator shall be the maximum allowable marital deduction, as finally determined for federal estate tax purposes, diminished by the value for such purposes of all other items in my gross estate which pass or have passed to or for the benefit of my wife under other provisions of this Will, or otherwise in such manner as to qualify for and be allowed as a marital deduction, but no greater amount

than is necessary to reduce to zero, or to the smallest amount possible, the federal estate tax payable as the result of my death.

B. The denominator shall be the value of my residuary estate.

My Executrix is authorized to satisfy said share, in cash or in kind, or partly in each; provided, however, that any assets transferred in kind shall be valued for that purpose at their fair market values, determined as of the dates of their respective transfers. This share shall carry with it, as income and not as principal, its proportionate share of the net income of my estate from the date of my death.

Only assets which qualify for the marital deduction shall be used to satisfy the foregoing bequest. To the extent, also, that other assets qualifying for the marital deduction are available, said bequest shall not be satisfied by the distribution of:

1. Assets with respect to which a credit for foreign taxes paid is allowable under the Internal Revenue Code;
 2. Assets which may be subject to both income and estate taxes and which may be eligible for a credit or deduction;
- or
3. United States Treasury bonds, eligible for redemption at par in payment of federal estate taxes.

Subject to the foregoing the decision of my Executrix as to which assets shall be distributed in satisfaction of the bequest given by this Article; as to whether my estate shall be valued under the optional valuation provisions of

the federal estate tax law; as to what tax elections should be exercised; and as to what proceedings are necessary to complete the ascertainment of the federal estate tax, shall be conclusive and binding on all persons; and no compensating adjustments between income and principal or between the marital and other bequests shall be made as a result of such tax elections exercised by my Executrix.

ARTICLE VII.

I direct that my Executrix shall deliver and convey the bequest ascertained and constituted as aforesaid in Article VI, to my wife, VICKI M. DAVIS, in trust for the following uses:

A. During the lifetime of my wife, VICKI M. DAVIS, all the net income derived from this Trust shall be paid to my wife, or applied for her benefit, in convenient installments, but not less frequently than annually from the date of my death; any income earned or accrued prior to my wife's death but yet unpaid at that time shall be distributed to the estate of my wife. If any asset held in this Trust is non-income-producing, my wife shall have the right to decide that it be disposed of.

B. If the income payable to my said wife in accordance with the provisions of Paragraph A above, supplemented by income (other than capital gains) available to her from other sources, shall not be sufficient for her health, education, support or maintenance, or to meet the reasonable needs of my wife in her station of life (as to all of which the judgment of my Trustee shall be conclusive), then, and in that event, I authorize my Trustee to pay to or apply

for the benefit of my wife so much of the principal of this Trust as my Trustee, in her sole discretion, shall from time to time deem requisite or desirable for her health, education, support or maintenance or to meet the reasonable needs of my wife, even to the full extent of the entire principal of this trust.

If at any time during the administration of this trust, the Trustee, in her absolute discretion, deems the continuation thereof to be uneconomic or not in the best interests of my said wife, the Trustee, in her absolute discretion, is authorized to terminate the same and to distribute the assets, free of the Trust, to my wife, absolutely.

C. My Executrix shall have the right to qualify or not to qualify this Trust for the marital deduction.

D. Upon the death of my said wife, the assets comprising this trust shall be distributed as provided for in Article VIII (B) hereunder.

E. Upon the death of my wife, the Trustee shall be authorized to withhold distribution of an amount of property sufficient, in her judgment, to cover any liability that may be imposed on the Trustee for estate or other taxes, until such liability is finally determined and paid.

ARTICLE VIII.

I direct that, after satisfying all the bequests and devises hereinabove set out, and after the payment or provision for the payment of all administration expenses and all death taxes, as directed in preceding Articles, my Executrix shall deliver and convey all the remainder of my aforesaid residuary estate, wheresoever situated, including all lapsed legacies and devises (but expressly excluding any property over which or concerning which I may

have any power of appointment), to VICKI M. DAVIS, in trust, for the use and purposes hereinafter set forth; and I direct that such remainder of my residuary estate (hereafter referred to as my trust estate) so passing to my Trustee shall be administered and disposed of upon the following terms and provisions:

A. I direct that, during the lifetime of my wife, or until the Trustee has actual knowledge of her remarriage, the net income derived from my trust estate shall be paid over to my wife, VICKI M. DAVIS, or applied for her benefit in monthly or quarterly installments.

If my wife disclaims her interest in this Trust, it shall be administered as though she had predeceased me.

B. Upon the death or remarriage of my wife, if she shall survive me, or upon my death, if my wife shall predecease me, the principal and accumulated income then constituting my trust estate shall be apportioned in equal shares to such of my children as shall then be living and to the living issue, per stirpes, of such of my children as shall be dead with issue then living, such issue representing its parent; and I direct that the several equal shares shall be administered and disposed of as follows:

1. The share apportioned under Paragraph B, supra, to each child of mine who shall have attained thirty (30) years of age, shall thereupon be delivered and conveyed to such child, discharged of the Trust.

2. The share apportioned under Paragraph B, supra, to each child of mine who shall be under thirty (30) years of age, shall be held in trust hereunder for the benefit of such child and the net income derived from the Trust for such child; and all or any part of the principal thereof shall be paid to or applied for the benefit of such child, in

such manner and at such intervals and in such amounts as my Trustee, in her sole discretion, shall from time to time deem requisite or desirable in providing for the suitable support and education of such child, until he or she shall attain the age of thirty (30) years; and upon the attainment of the age of thirty (30) years by such child, the principal and accumulated income then constituting the child's separate Trust shall be delivered and conveyed to the child, discharged of the Trust.

3. If a child shall die prior to the termination of his or her Trust, pursuant to the foregoing provisions, the principal and accumulated income constituting the Trust for such child at the time of his or her death shall thereupon vest in and be delivered and conveyed to such child's surviving issue, per stirpes, subject to the provisions in Paragraph C hereunder; or if such child shall leave no issue surviving, the principal and accumulated income shall inure in equal shares to the benefit of my living issue, per stirpes, and their respective shares or portions shall be administered and disposed of in accordance with the terms and provisions of the Trust herein created for their benefit.

4. The one such equal share of my trust estate apportioned under Paragraph B, supra, to the living issue, per stirpes, of each child of

mine who shall be dead with issue living, shall thereupon vest in and be delivered and conveyed to such issue, per stirpes, subject to the provisions contained in Paragraph C hereunder.

C. If any of the funds and properties constituting a part of a trust shall vest in any person among any deceased child's issue who shall be under twenty-one (21) years of age at the time of the vesting thereof, in accordance with the foregoing provisions of this Article X, I direct that such principal or accumulated income so vesting shall nevertheless continue to be held in trust by my Trustee under the provisions hereof and be administered as a separate trust and that the net income therefrom or the principal thereof shall be applied in such manner and at such intervals and in such amounts as my Trustee, in her sole discretion, shall deem requisite or desirable for the suitable support and education of such person until he or she shall attain the age of twenty-one (21) years, or shall sooner die, whereupon the then principal, and any accumulated income of such Trust, shall be delivered and conveyed, discharged of the Trust, to such person if he or she shall attain the age of twenty-one (21) years, or if such person shall die prior to his or her attainment of twenty-one (21) years, to such person's executors or administrators.

D. I hereby authorize and empower the Trustee, in her sole and absolute discretion, at any time and from time to time, to disburse from the principal of any of the trust estates created under this Article (even to the point of completely exhausting same), such amounts as she may deem advisable to provide adequately and properly for the support, maintenance, education and health of the current income

beneficiary thereof, his or her spouse and issue, including, but not by way of limitation, expenses incurred by reason of illness, disability and education. In determining the amounts of principal to be so disbursed, the Trustee shall take into consideration any other income (other than capital gains) or property which such income beneficiary or other person may have from any other source; and the Trustee's discretion shall be conclusive as to the advisability of any such disbursement, and the same shall not be questioned by anyone. For all sums so disbursed, the Trustee shall have full acquittance. All such disbursements from principal shall be charged against the Trust fund from which they are made, and shall not be charged against any individual share of principal subsequently distributed to any beneficiary.

ARTICLE IX.

I hereby grant to my Executrix, and also to the Trustee of each trust established hereunder (including any substitute or successor personal representative or trustee or ancillary trustee) the continuing, absolute, discretionary power to deal with any property, real or personal, held in my estate or in any trust, as freely as I might in the handling of my own affairs. Such power may be exercised independently without prior or subsequent approval of any judicial authority, and no person dealing with the Executrix or Trustee shall be required to inquire into the propriety of any of their actions. I expressly confer upon my Executrix and any Trustee hereunder the specific powers set forth in the Mississippi Code Annotated, Section 91-9-101 through Section 91-9-109 (1972), as now enacted or hereafter amended. Without limiting the generality of the foregoing, I hereby

grant to my Executrix, and to any Trustee hereunder, the following specific powers and authority, in addition to and not in substitution of the powers conferred by law.

A. To compromise, settle or adjust any claim or demand by or against my estate or any trust and to agree to any rescission or modification of any contract or agreement.

B. To retain any security or other property owned by me at the time of my death, so long as such retention appears advisable, to exchange any such security or property for other securities or properties and to retain such items received in exchange. My Trustee may presume any securities owned by me at the time of my death, including capital stock of my corporate trustee or its holding company, to be of investment merit and worthy of retention by my Trustee. Such presumption shall not impair the power of sale or exchange or any other powers or discretion given the Trustee, but if said securities or any of them are retained by my Trustee for the duration of the Trust or any shorter period of time, my Trustee shall not be responsible or liable for any loss or decrease in the value of said securities or any of them, or of the Trust, by reason of such retention. My Trustee may also presume that the management of the companies whose securities are held in the Trust from time to time should be supported. Such presumption shall not impair the power of voting such securities or any other powers or discretion given my Trustee, but if said securities, or any of them, are voted by my Trustee in favor of the management of the respective companies issuing them or in favor of any proposals supported by such management, my Trustee shall not be responsible or liable for any act of such management or for any loss or decrease in the value of said securities, or any of them, or of the Trust, by reason of such voting.

C. To sell, exchange, assign, transfer and convey any security or property, real or personal, held in my estate or in any trust fund, at public or private sale, at such time and price and upon such terms and conditions (including credit) as she may deem to be advisable and for the best interest of my estate and trusts.

D. To invest and reinvest (including accumulated income) in any property, real or personal, as she may deem advisable, including stock (whether listed or unlisted) and unsecured obligations, undivided interests, interests in investment trusts, legal and discretionary common trust funds, leases, and property which is outside of my domicile, all without diversification as to kind or amount, without being restricted in any way by any statute or court decision, now or hereafter existing, regulating or limiting investments by fiduciaries.

E. To register and carry any property in her own name, or in the name of her nominee, or to hold it unregistered but without thereby increasing or decreasing her liability as a fiduciary.

F. To sell or exercise any "rights" issued on any securities held in my estate or in any trust fund hereunder.

G. Unless inconsistent with other provisions of this instrument, to consider and treat as principal all dividends payable in stock of the issuing corporation, all dividends in liquidation and all "rights" to subscribe to securities of the issuing corporation, and to consider and treat as income all other dividends and rights received (except those declared and payable as of a record date preceding my death, which shall be considered and treated as principal).

H. To charge or credit to principal any premiums and discounts on securities purchased at more or less than par.

I. To vote, in person or by proxy, any stock or securities held, and to grant such proxies and power of attorney to such person or persons as she may deem proper.

J. To consent to and participate in any plan for the liquidation, reorganization, consolidation or merger of any corporation, any security of which is held.

K. To borrow money (from herself individually or from others), upon such terms and conditions as she may determine and to mortgage and pledge estate and trust assets as security for the repayment thereof.

L. To lease any real estate for such term or terms and upon such conditions and rentals and in such manner as she may deem advisable, with or without privilege of purchase; and any lease so made shall be valid and binding for the full term thereof, even though same shall extend beyond the duration of the Trust. To insure against fire or other risk. To make repairs, replacements and improvements, structural or otherwise, to any such real estate. To subdivide real estate, to dedicate same to public use, and to grant easements as she may deem proper.

M. Whenever required or permitted, to divide and distribute my estate or any trust created hereunder, to make such distribution (including the satisfaction of any pecuniary bequests) in cash or in specific property, real or personal, or an undivided interest therein, or partly in cash and partly in such property, and to do so without regard to the income tax basis of specific property allocated to any beneficiary, including any trust.

N. To employ accountants, attorneys and such agents as she may deem advisable; to pay reasonable compensation for their services and to charge same to, or apportion same between, income and principal, as she may deem proper.

O. Unless inconsistent with other provisions of this instrument, to hold two or more trusts or other funds in one or more consolidated funds, in which the separate trusts or funds shall have undivided interests.

P. If any individual among the legatees named or provided for under the foregoing provisions of this Will (or under the provisions of any Codicil to it hereafter executed by me) shall be a minor at the time of my death, then and in that event, and notwithstanding any statute or rule of law to the contrary, I authorize my Executrix to pay or deliver the legacy to which each such minor shall be entitled to the parent or to the legal guardian of such minor or to the person with whom such minor shall then reside, and the receipt of such parent or guardian or person with whom such minor shall then reside shall constitute a full acquittance of my Executrix with respect to the legacy so paid or delivered.

Q. My Trustee shall not be required to file, in any court, or with any public official, any reports or accounts relating to the administration of the trusts created by this Will, except to the extent that I have no power to excuse the filing of such reports or accounts; provided, however, my Trustee shall furnish annually, or at more frequent intervals, reports and accounts thereof to the beneficiary then entitled to the income therefrom. The receipt of the Trustee shall operate as full acquittance and discharge of my Executrix for the property turned over to my Trustee.

R. Wherever authorized by this instrument to accumulate or distribute income, to make such decision free from attack or question by any person, it being intended that the Trustee may feel free to make such decisions on the basis of the facts as they exist at the time any such decision is made.

S. With respect to any trust governed by this instrument, to distribute to any one or more of its beneficiaries from the principal thereof, such sums, as in the sole discretion of the Trustee, shall be sufficient to ensure such trust being created under the federal income tax laws as one having no "undistributed net income" for a given taxable year, as that term is defined in the Federal Internal Revenue Code, Section 665, if the Trustee, in her sole discretion, shall deem such treatment desirable for any reason.

T. Abandon, in any way, property which she determines not to be worth protecting.

U. To buy or sell any stock or security options, including but not limited to calls, puts, straddles, spreads, strips or straps, whether over any recognized exchange or over-the-counter market and whether covered or uncovered.

ARTICLE X.

If my wife and I die simultaneously, or under circumstances which make it difficult or impossible to determine which of us died first, I direct that my wife shall be deemed to have survived me for the purposes of this Will; and I further direct that the provisions of this Will shall be construed upon that assumption, irrespective of any provisions of law establishing a contrary presumption or requiring survivorship as a condition of taking property by inheritance.

ARTICLE XI.

In order to provide for the security of my minor child or children, in the event of the death of my wife and

me during the minority of my said child or children, I hereby designate and appoint MRS. ELAINE HALL, of Route 4, Box 35, Keithville, Louisiana 71047, as Guardian of my said minor child or children. The said Guardian shall have custody and tuition of my minor child or children, until they attain the age of twenty-one (21) years. I direct that the aforesaid Guardian shall not be required to furnish any bond or other security for the faithful performance of the duties of Guardian. To the extent possible, I direct that any and all accountings, inventories and the like, ordinarily required of a guardian, shall not be required of said Guardian.

ARTICLE XII.

I appoint my wife, VICKI M. DAVIS, as Executrix of this, my Last Will and Testament. I direct that no surety be required on the bond of my wife, VICKI M. DAVIS, as Executrix hereunder. If my wife, VICKI M. DAVIS, shall predecease me, or for any reason shall fail to qualify as Executrix hereunder (or having qualified, shall die or resign), then and in such event, MRS. ELAINE HALL shall act as the sole Executrix of my estate; and in such capacity, she shall possess and exercise all powers and authority herein conferred on the Executrix and Trustee jointly. I vest my Executrix or successor Executrix, as the case may be, with full authority and power to sell, transfer and convey any property, real or personal, which I may own at the time of my death, at such time and price and upon such terms and conditions (including credit) as they may determine, and to do every other act and thing necessary or appropriate for the complete administration of my estate.

IN WITNESS WHEREOF, I sign, seal, publish and declare this instrument to be my Last Will and Testament, this the 1 day of June, 1983, at Jackson, Mississippi.

LAST WILL AND TESTAMENT
OF
VIRGINIA WALTON DALLAS

30-824

I, VIRGINIA WALTON DALLAS, an adult resident of Madison County, Mississippi, make this my Will and revoke all prior Wills and Codicils.

ITEM I.

I have four (4) adult children now living, WILLIAM WALTON DALLAS, THOMAS ABRAHAM DALLAS, MARTHA DALLAS HEARD, and ALICE SUE DALLAS. The word "descendants" shall include any person hereafter born to any of my descendants. Each of the words "child," "children" and "descendants" shall be deemed to include an adopted child or adopted children, irrespective of any provisions of law establishing a contrary presumption.

ITEM II.

I appoint THOMAS ABRAHAM DALLAS as Executor of my estate under this Will. In the event THOMAS ABRAHAM DALLAS is, or becomes unable or unwilling to serve, I appoint THOMAS WALTON DALLAS of Jackson, Mississippi, to serve as successor Executor.

ITEM III.

My Executor shall pay all funeral expenses, costs of administration and other proper claims against my estate.

ITEM IV.

All Section references, as used in this Will, refer to the Internal Revenue Code of 1986, as amended, or any corresponding provisions of future laws.

Unless otherwise provided, in referring to the Trustee, any neuter terminology also includes the masculine and feminine or

vice versa and any reference in the singular shall also include the plural or vice versa.

Where used throughout this Will, the terms "Executor," "Executrix" and "Administrator" may be used interchangeably and shall apply to whoever may be serving as personal representative of my estate, whether one or more than one, and to any successor Executor or Administrator.

ITEM V.

I give, devise and bequeath, in equal one-fourth (1/4th) shares, my entire estate, real and personal, of whatsoever kind or character and wheresoever situated, including any bequest that may lapse or be renounced or disclaimed or that may be otherwise ineffective for any reason, to WILLIAM WALTON DALLAS, THOMAS ABRAHAM DALLAS, MARTHA DALLAS HEARD, and THOMAS ABRAHAM DALLAS as Trustee of the "Alice Sue Dallas Trust" created in Item VI of this Will for the benefit of ALICE SUE DALLAS. If WILLIAM WALTON DALLAS, THOMAS ABRAHAM DALLAS or MARTHA DALLAS HEARD are not then living, his or her share shall be distributed per stirpes. If ALICE SUE DALLAS is not then living, her share shall be distributed to WILLIAM WALTON DALLAS, THOMAS ABRAHAM DALLAS, and MARTHA DALLAS HEARD, per stirpes.

The assets devised and bequeathed under this Item of my Will shall be charged with the payment of any estate, inheritance or other death taxes payable by reason of my death and any other expenses of my estate not deductible for federal estate tax purposes. I recognize that the amount so disposed of may be affected by the action of my Executor in exercising certain tax elections.

ITEM VI.

The Trustee shall hold, administer and distribute the funds of the "Alice Sue Dallas Trust" under the following provisions:

A. The Trustee shall distribute to the beneficiary of the trust as much of the net income of that trust as the Trustee, in

FOR IDENTIFICATION:

his discretion, deems advisable for the beneficiary's education, support, maintenance and health, including any hospital or other institutional care, and for the maintenance of the beneficiary's accustomed standard of living. Any income not distributed shall be added to principal and distributed in accordance with subsequent provisions.

B. In addition to the income distributions, the Trustee may distribute to or for the benefit of the beneficiary, as much principal as the Trustee, in the Trustee's discretion, deems advisable for the beneficiary's education, support, maintenance and health, including any hospital or other institutional care, and for the maintenance of the beneficiary's accustomed standard of living. In making principal distributions, the Trustee shall consider the needs of the beneficiary and the funds available to her from other sources.

C. Upon the death of ALICE SUE DALLAS, the interest and principal of this trust shall be distributed, per stirpes, to WILLIAM WALTON DALLAS, THOMAS ABRAHAM DALLAS and MARTHA DALLAS HEARD.

D. Upon distribution of the entire trust estate of the trust created under this Item of my Will, such trust shall terminate.

E. This trust shall be designated and known as the "Alice Sue Dallas Trust".

ITEM VII.

In making distributions for the beneficiary from the trust created under this Will and especially where such beneficiary is incapable of transacting business due to illness, the Trustee, in the Trustee's discretion, may make distributions either (a) directly to the beneficiary, (b) to the legal or natural guardian of the beneficiary, (c) to a relative or guardian of the person of the beneficiary who has custody and care of the beneficiary, or (d) by applying the distributions for the benefit of the beneficiary by paying expenses directly. In any event the

Trustee shall require such reports and take such steps as the Trustee deems requisite to assure and enforce the application of such distributions for the exclusive benefit of the beneficiary.

None of the principal or income of any trust created under this Will shall be liable for debts of any beneficiary or be subject to seizure by creditors of any beneficiary. No beneficiary shall have the power to sell, assign, transfer, encumber or in any manner to anticipate or dispose of any part of her interest in the trust funds or the income produced from the funds.

ITEM VIII.

The Trustee of any trust created herein shall have the authority to distribute income or principal of the trust in cash or in kind. In making distributions of both principal and income, the Trustee may make a non pro rata distribution of property in kind. The judgment of the Trustee concerning values and purposes of such division or distribution of the property or securities held in the trust shall be binding and conclusive on all interested parties. In making a division or distribution, the Trustee is specifically excused from a duty of impartiality with respect to the income tax basis of the property distributed and may select assets to be allocated or distributed without regard to the income tax basis of the property.

ITEM IX.

Notwithstanding any provision of this Will to the contrary, the interest of every beneficiary of any trust created by this Will shall vest within the period prescribed by the Rule against Perpetuities. Upon such vesting, any trust property held by the Trustee shall be distributed to the income beneficiary of the trust as though such beneficiary had reached the age at which final distribution is required by this Will.

ITEM X.

Any trust created herein shall be entitled to a proportionate share of the income of my estate commencing with the date of my death. During the administration of my estate and until the trust is established, I authorize the Trustee, in the Trustee's discretion, to request of my Executor, in which case my Executor may comply with that request, to pay at least annually out of my estate advanced payments of income to the income beneficiary of the trust. These payments shall be an amount which in the judgment of the Trustee and the Executor, jointly, equals the income which the beneficiary would receive from the trust had it been established at my death.

ITEM XI.

Any trust created by this Will is a private trust. The Trustee shall not be required to obtain the order or approval of any court for the exercise of its powers and discretions.

No Trustee hereunder shall be required to enter into any bond or to file with any court a formal accounting of the Trustee's administration. The Trustee shall not have to render annual accounts to the income beneficiary of the trust. No persons paying money or delivering property to the Trustee shall be required to see to its application.

ITEM XII.

A Trustee of any trust created in this Will may resign at any time by giving written notice, specifying the effective date of resignation, to the person who is the income beneficiary of the trust. The notice may be made by personal delivery or sent by registered mail. In the event THOMAS ABRAHAM DALLAS is or becomes unwilling or unable to serve as Trustee, THOMAS WALTON DALLAS shall serve as successor Trustee. In the event THOMAS ABRAHAM DALLAS and THOMAS WALTON DALLAS are or become unable or unwilling to serve as Trustee, BILLYE HASKINS DALLAS shall appoint a successor Trustee within thirty (30) days of such

FOR IDENTIFICATION:

property disclaimed shall be distributed to my other children, per stirpes. If a child of mine is deceased, his or her share shall go to his or her descendants, per stirpes.

ITEM XV.

All rights, powers, duties and discretions granted to or imposed upon my Executor shall be exercisable by and imposed upon any successor Executor or Administrator. I direct that neither my Executor nor any successor Executor or Administrator shall be required to make any bond as Executor or Administrator. To the extent permissible by law, I waive the requirement that my Executor, or any successor Executor or Administrator, be required to make a formal appraisal, provide an inventory, or file an accounting for my estate with any court.

Except where specific property is devised or bequeathed, my Executor shall have discretion to select property to be distributed in satisfaction of any devise or bequest provided in this Will. In making a selection, my Executor is excused from any duty of impartiality with respect to the income tax basis of the property. However, my Executor shall not exercise this discretion in a manner that will result in loss of, or decrease in, the marital deduction otherwise allowable in determining the federal estate tax due by my estate.

My Executor shall have the authority to disclaim any asset, power of appointment, or other interest in property to which I am entitled at my death, or to which my estate later becomes entitled.

My Executor shall have authority to continue all business operations in which I am interested at my death for the time permitted by law in order to avoid depreciation in value of the interests or losses to my estate or associates. My Executor may continue to act as partner, engage in any partnership, and take

FOR IDENTIFICATION:

U. H. [Signature]

all actions with regard to any partnership my Executor deems advisable.

I specifically authorize my Executor to borrow such funds as may be necessary to pay my debts and administration expenses and taxes of my estate and to pledge such of my property, real or personal, as may be necessary to secure such loan; provided, however, that my Executor shall not pledge any property specifically devised or bequeathed herein. My Executor shall not be required to pay or otherwise satisfy such loan prior to the closing of my estate and the discharge of my Executor, but may distribute such property at its value net of such loan in satisfaction of any bequest herein.

IN WITNESS WHEREOF, I have signed and declared this to be my Last Will and Testament on this the 5th day of November, 1987.

 - 1) 40% to Sandra J. Dietrich
 - 2) 30% to James Nelson Guthrie
 - 3) 30% to Deborah L.G. Herron

I would like the 3 of them to give a memorial gift to Bham-Southern College.

2. The Aetna Policy is already assigned to Deby & Jamey.
3. Any other insurance benefits will be divided equally among Sardi, Jamey, & Deby.

4. The Home at 531 Pawnee Way, Madison, MS, (held in partnership with S.J. Dietrich) shall belong to Sandra J. Dietrich as long as she lives, or desires to keep it. Upon her death, or if she selects to sell the home prior to her death, it is my will that my portion of the house (the proceeds) will be divided equally between Jamey + Deby.
5. The Dodge Van is to go to Jamey.
6. The Buick Skylark, if SJD chooses to pay the remaining balance from the insurance, goes to Sandi if she wants/needs it. If she doesn't want it or need it, it will go to Deby. If she doesn't want it, it goes to Jamey. If none of you want it (you don't know what a good car you're missing), it should be sold + the proceeds divided equally among my grandchildren.

7. Furniture - Sandi will use it as long as she wants it or needs it. It is my wish that furniture that has belonged to my parents & grandparents remain with my heirs & their heirs, eg; The dining room set, the hall trees, etc.
8. My portion of the Business (HEC) is left to Sandi & whichever child has an interest in continuing my efforts to facilitate the effectiveness of individuals and organizations.
9. The ring I got from my father I leave to Jamey with the hope that you will keep it & reverse it as I have.
10. My fishing equipment I leave to Sandi & Jamey, with one rod & reel each to Matthew & Caleb.
11. My tools I leave to Sandi & Jamey and Mark. Divide them according to your needs.

12. My garden tools I leave to Sauti to maintain the yard & garden as she sees fit. Sauti, the ones you don't need, I'd like for Deley to have for her garden.

13. It is my will that nothing of mine in any shape or form shall go to Marian A. Guthrie, Sandra S. Toulet Berg (whatever her name is), or her son, Sandra Dion.

14. My love I leave to you all. Be gentle with each other. Live yourself! Remember, in every situation/person, there is usually more good than bad.

Have A Happy!
