Professional Traffic Operations Engineer Certification Renewal

Renewal for: Timothy A. Bryan

Renewal for the period from: 11/7/2016 To: 11/7/2019

I have reviewed the requirements for renewing my PTOE™ certification and provide the following in support of my renewal application:

Summary of professional development hours (PDHs)

earned during the period from 11/7/2013 to present at a professional level in traffic operations engineering. (You must have earned 45 PDH(s) during this timeframe.) If you have prepared a similar summary of applicable professional development hours for renewal of your state/provincial engineering license, you may attach a copy of it or the printout of your Professional Competency Record Report from the ITE Web site in lieu of completing this table. Please note attached to this form are additional details concerning the renewal requirements and calculation of PDH(s).
