

MADISON COUNTY EMERGENCY MANAGEMENT AGENCY

November 9, 2016

Glen Ainsworth
765 Parks Rd Place
Jackson, MS 39212

Mr. Ainsworth:

Our office received a Road Incident Claim for a single axle trailer. Unfortunately, after review, the referenced claim has been denied.

- *The location of incident appears to be outside of roadway (to the right of white fog line); cause of incident was not directly related to roadway deficiency inside the lane of travel.*
- (<http://madison-co.com/county-departments/emergencymanagement/policies.php>).

If you have any questions or you feel aggrieved by this decision, you have the right to appeal. All appeals must go before the Madison County Board of Supervisors during a scheduled Board meeting. You must contact the Madison County Board of Supervisor's office and request to be put on the Board's agenda.

Sincerely,

Thomas Lariviere /gcc

Tom Lariviere

Madison County Emergency Management Agency, Interim Director

ROAD CLAIM INCIDENT REPORT

In order to process the claim, please print & fill out completely and return to Madison Co. EMA office along with two signed estimates for damages being claimed. All required paperwork must be returned within 7 days of incident. NOTE: Our policy is a reimbursement policy. We DO NOT replace nor arrange to have any repairs made. It is to your own discretion when the repairs are made. If your claim is approved a reimbursement check will mailed to you at the given address given below.

<p>Incident Summary</p>	<p>Please write a brief summary of the incident (use back if needed):</p> <p style="text-align: center;"><i>Stirling Rd.</i></p> <p>I pulled out of Lake Caroline onto Catlett Rd heading towards the interstate when I hit a pothole that immediately bent my rim and popped the tire on the trailer I was pulling behind my truck. There was a Madison County SO behind me that saw what happened and pulled in behind me. He wrote me a case number and said that I would be reimbursed for the damages.</p> <p>When I took my trailer to get a new rim and tire I was informed that my axle had been bent and it would need to be replaced as well.</p>
-------------------------	---

*per Joel Evans on clarification of location:
 from Stirling, take right onto Catlett
 just south of Fox lane on west side.*

*10/29/16

Best we can tell, he ran off the road (out of bounds).

We received a road claim on Catlett at Stribling Rd. The original call came in last week, but just received his paperwork. It broke the guys trailer axle and bent his rim pretty good.

We are going to stick to our story that he had to be off the road. We've fixed a hole outside of the white line.

Hey. Wanted to follow up on this because we are just getting additional information, one being the exact location. This is the area just south of Red Fox on west side. I am sure we are talking about the same spot. However there is a police report that states it is "just" inside of fog line. I am going to base it on your decision, but wanted to be sure in light of the police report and make sure it IS indeed out of bounds. Can you let me know one way or another please sir. Again, we are going to go off your decision.
