

The Madison County Board of Supervisors Meeting, January 3, 2022, Quick Notes:

- The Madison County Board of Supervisors, (the Board), voted to elect Supervisor Paul Griffin as Board President and Supervisor Gerald Steen as Board Vice-President for the 2022 year.
- The Madison County Election Commission obtained authorization to apply for a grant through Homeland Security for the purchase of election equipment.
- The Board voted to allow the following roads/streets to become public: Charleston Circle, Charleston Lane, Harwood Court and Sumter Court.
- The Board approved purchasing a water tanker for the Central Madison County Fire Protection District.
- The Board voted to provide tax exempt status to property recently purchased by the James W. Hood Family Foundation on behalf of Charter School Properties, LLC.
- The Board approved the final plat for Glenwild, Part 3. The development is approximately fifteen acres and has forty-four lots.
- The Board approved the final plat for Wildoak, Part 1. The development is approximately thirteen acres and has thirty-eight lots.
- The Board passed a fishing ordinance for the lake at Sulphur Springs Park. The ordinance, which is the same for state parks, requires those who meet the criteria to have a current fishing license and limits the size of the fish to be harvested. The ordinance will become effective in March 2022.

The Madison County Board of Supervisors will meet again on January 18, 2022, at 5:00 p.m. in the Administrative Building in Canton.
