

The Madison County Board of Supervisors Meeting, June 7, 2021: Quick Notes

- During a public hearing on a zoning change request by Mipitou, the party filing the appeal withdrew their objection to the rezoning request. The Board approved the rezoning petition.
- The Board approved the reappointment of James Freshwater to the Southwest Madison County Fire Protection District Board of Commissioners.
- Saint John Baptist Church was granted a property tax exemption on church property.
- In preparation for Amazon coming to Madison County, the Board approved advertising for on-site natural gas improvements. These improvements are being funded by the Mississippi Development Authority.
- The Board approved a task order to Waggoner Engineering, Inc., for \$96,500 to conduct an Environmental Infrastructure Needs Analysis in West Madison County.
- The Board approved a design services contract for Neel Schaffer to design the section of Bozeman Road from Reunion Parkway to Gluckstadt Road for a fee not to exceed \$469,500. This phase will match the typical section for the current phase south of Reunion Parkway.
- The Board approved a site plan for a new C Store on Highway 16 and old Highway 16 in Farmhaven.
- The Board approved a site plan for a new business to be built on the corner of Old Jackson Road and Church Road.
- The Board approved a site plan for a new business to be built near Church Road.
- The Board approved a site plan for a new business to be built between Thomas Johnson Road and Interstate 55.
- The Board approved a preliminary plat for Katherine Lake of Caroline.
- The Board approved purchasing a platform ladder fire truck from Bonaventure Company for \$1,363,278.

- After consulting with a fisheries biologist, the Board approved a Lake Management Plan for Sulphur Springs.
