

## **The Madison County Board of Supervisors Meeting, March 15, 2021: Quick Notes**

- The Madison County Board of Supervisors (the Board) recognized Brent Bailey, Public Service Commissioner for the Central District, for his continued commitment to making sure that broadband will be accessible to the areas in the County that do not have a provider.
- The Board agreed to send Commissioner of Insurance Mike Chaney a letter asking for assistance in purchasing a ladder fire truck for the Mega Site, the location for Amazon.
- The Board voted to accept a proposal for Risk Management and Insurance Services for the County from Fisher, Brown and Bottrell.
- The Board modified the 2021 Road Plan by adding Abernathy Road, Mississippi Street, Republic Street, LaSalle Street, Old Trace Road, Azalea Street and Mallard Point Circle.
- The Board approved a \$1,883,649.50 bid from ADCAMP for the Countywide Roadway Resurfacing Project.
- The Board approved hiring Stantec Consulting Services, Inc. for \$15,000 to develop a conceptual layout and an opinion of probable cost for the intersection of Stribling Road and Mississippi Highway 463.
- The Board approved hiring Mendrop Engineering Resources, LLC to provide CE&I services for the Way Road and Banks Road Culvert Replacement Project for \$34,868.
- The Board approved two medical hardships to allow a home to be built on Dave Brown Road and to place a mobile home on Highway 16 West.
- The Board approved the appointment of Wint McGee to the Madison County Economic Development Authority.

***The Madison County Board of Supervisors will meet again Monday, April 5, 2021, at 9:00 a.m. in the Administrative Building in Canton.***
